Spiritual Direction is a sacred practice of deeply listening and supporting another as they are present to their own spiritual story. It is a long-standing ministry that is for people of all faith traditions.

The Claret Center has offered Spiritual Direction study for thirty plus years. The program provides an intense experiential mentoring for those who have completed academic study, have served in ministry or healing professions, and have personal experience with Spiritual Direction.

- Granting a Certificate in Spiritual Direction
- Nine Month intensive curriculum on the art of spiritual direction
- Opening retreat
- Cohort limited to nine students
- Discover how to listen to your interior self and notice what is stirring in your spiritual connections
- Experience the art of Spiritual Direction by companionship directees assigned by the program; ongoing supervision during the program
