Come and see what we do! The Claret Center cordially invites you to attend an Open House at our Hyde Park campus. Our mission is to help people become whole in mind, body and spirit, and we do this in three ways – through Psychotherapy, Spiritual Direction and Body-Centered Therapies (acupuncture, cranial-sacral massage and therapeutic massage).

Meet with our practitioners, learn about our programs, tour the facility and sign-up for a brief sample session regarding any of our services. Refreshments will be provided.

So, save the date... we look forward to seeing you on May 4!
